## **Parks Alive!**

Parks Alive! is a community-oriented concert program dedicated to maximizing the potential of Kelowna's lakefront and community parks by stimulating a vibrant arts and culture environment. Each week in July and August from Tuesday through Saturday, and every second Sunday, live concerts are held in parks and public spaces throughout Kelowna, and feature both amateur and professional performing artists from a variety of musical genres.

The program strives to create a positive, community-minded presence in Kelowna's parks that will promote and expand family values, foster employment and volunteer opportunities, and encourage greater use of the City's community parks.

By developing new, family-oriented events during the summer and increasing the scope and calibre of the program each year, Parks Alive! continues to encourage greater numbers of people to enjoy their local parks. As well, by encouraging art and cultural expression and creating opportunities for the community to participate, we help enhance the quality of life for community members and visitors alike, and create a greater sense of pride in our community.

Admission to the concerts are free, however donations are encouraged and gratefully accepted.

### **New York New Years**

This annual family celebration is held on December 31st from 6:00 to 9:00 pm. Just like our other events, New York New Years is all ages appropriate, alcohol free, and features multiple activity areas and live cultural stage entertainment. The name comes from our ringing in an "early New Year" at 9 pm, the same time as the iconic Times Square ball drop in New York City, thereby allowing families with young children to celebrate the turn of a new year together.

Held in Jim Stuart Park in downtown Kelowna, the venue is easily accessible by transit, biking, walking, or by car. New York New Year's Eve is free to attend and features activities and entertainment that appeals to a wide range of ages and tastes. Interactive games and activities will be based around the outdoor skating rink in Stuart Park and include:

- High-energy, live cultural performances on the stage from 6:00 - 9:00 pm
- "Snow Zone" drop-in activity stations (i.e. snowball toss, craft stations, drop-in games, karaoke, Wii dance off)
- Multiple screens featuring projected images and videos
- Dynamic lighting effects
- Giveaways and goodies (i.e. hot chocolate, glow items, gifts from event partners)
- New Year's Countdown at 8:59 pm
- Fireworks show
